WHO WE ARE

BUILT AROUND PRACTICAL DELIVERY.

ROADRAK GROUP is an independent South African construction and infrastructure company focused on the places, services and systems that communities and organisations rely on.

Our direction is long term: build dependable capability, deliver responsibly and earn relationships through the quality of the work.

MAKE ROOM FOR POTENTIAL.

We support pathways into the built environment through bursaries, vacation work, in-service training, work-integrated learning, graduate opportunities and vacancies.

The aim is practical: help emerging talent gain exposure, capability and confidence.

BUILDING THE NEXT PHASE

POWERING AFRICA'S FUTURE.

Developing capability, systems, people and lasting relationships to participate meaningfully in South Africa's built environment.

LET'S BUILD WHAT MATTERS.
